

Heritage Creations
FIXTURES CATALOG

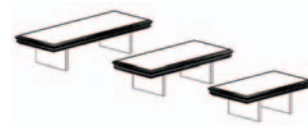

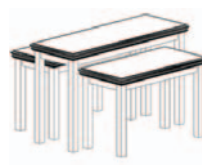

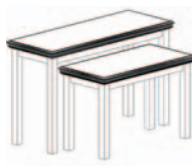

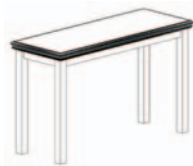

Procraft Heritage Creations is the golf industry’s leader in millwork design and manufacturing for the entire clubhouse. With over 35 years of experience and more than 2,500 projects completed, we have selected the most popular style of fixtures from our custom designed golf shops to create our standard fixture catalog. This product line provides you with a simple cost-effective way to purchase additional fixtures or outfit a complete shop.

Each fixture is designed to permit maximum merchandising flexibility and can be stained to match your shop on either alder, maple, or oak to match your existing shop. In addition, other wood species may be ordered on a custom quote basis. Molding profiles can be customized to match existing fixtures at an additional cost. Shelving and hardware listed for each fixture can be adjusted or modified as needed to suit your merchandising strategy.

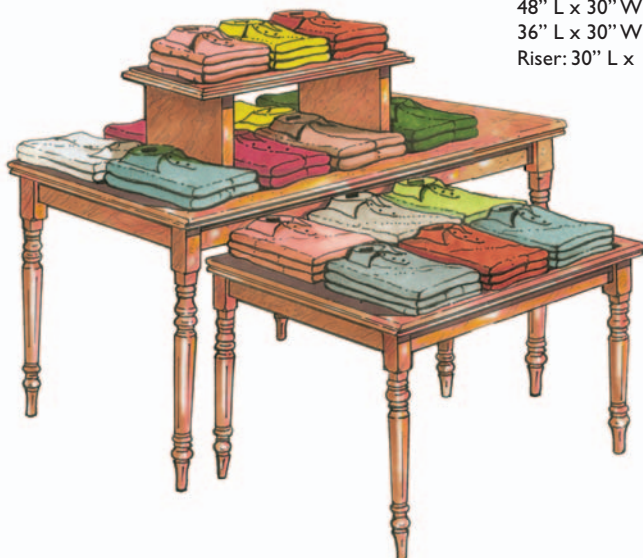

Thank you for considering Procraft Heritage Creations to help enhance your golf shop, we hope that this catalog provides many ideas for how you can improve merchandising and sales. Please note; we have designed and built any custom fixtures to suite our clients need throughout the years. Please call or email us for a custom quote.

Stain Samples

We pride ourselves on matching all New and Existing wood and stain sample finishes for each order and project. Fixtures can be stained to match your shop on either alder, maple, or oak. In addition, other wood species may be ordered on a custom quote basis. Please contact customer service for correct address to send a physical sample, small shelf, or piece of molding to expedite the order and processing time.

GENERAL INFORMATION

All standard fixtures are available in cherry and oak hardwoods and plywoods. Heritage Creations will fabricate in other wood species for an additional charge. Please call for quotes.

Lead times for standard freestanding fixtures are 6-8 weeks from receipt of initial payment.

PAYMENT TERMS

Orders less than \$5,000 and custom fixture orders are 100% payable prior to fabrication. All other orders require a 50% deposit prior to fabrication with the remaining 50% due prior to shipment.

We accept payment via company check. We also accept Mastercard, Visa, and American Express with addition of a 4% processing fee.

SHIPPING

All fixtures are shipped FOB factory via UPS or LTL common carrier. Crating is an additional cost based on final order.

Goods shipped are delivered to the carrier in good condition and packaged to prevent damage. It is important to inspect crates for damage prior to signing for receipt. If crates are damaged, please take photos and note any damage on the deliver slip before signing it. If Client fails to inspect crates or note any damage prior to receipt, Procraft will not be responsible for the damage. Notify Procraft of any damage to goods and send us a copy of the photos and delivery slip. All product returns require a written authorization from Procraft Heritage Creations.
